Re: Bermudez et al v. Benenson et al 22-cv-1718 (PMH)

Your Honor,

Counsel have been discussing settlement during the pendency of these deadlines and there are terms on the table as of yesterday that each counsel and all but one litigant have accepted. One of the Plaintiffs is having some kind of phone issue and I have not been able to get in touch with him last night or this morning. I expect to be able to reach him within the next few days (I might have to make a house call).

I will be recommending the terms and expect him to accept.

While the parties hate to raise this issue so close to a deadline, counsel respectfully contend that it would be unfair for the Defendants to incur more hourly charges when there is an offer on the table that the attorneys are recommending.

The parties write jointly to request an additional week submit the pre-trial materials or a status letter advising the Court that the case has settled.

Respectfully Submitted,

/s/ Colin Mulholland, Esq.
